

Green Air

Apple Scent Odor Neutralizer

AIR CARE

DESCRIPTION

This long lasting fragrance works great for the removal of most odors, including musty, moldy, food, medicinal, burned, and general nuisance odors.

APPLICATIONS

- Odor neutralizer for:
- Restrooms
 - Smoke damage
 - Portable toilets
 - Locker rooms

FEATURES

- Eliminates Malodors
- Long Lasting Fragrance
- Versatile Applications

DIRECTIONS

Read entire container label before using this product. Spray or mist fog in areas to be treated, after they have been cleaned. You may dampen a cloth with this product, and use for wiping bathroom fixtures, door knobs, telephones, and storage areas. Do not spray directly on painted or varnished surfaces.

Fire Departments: For effective removal of smoke and related odors, spray concentrate directly on affected surfaces, such as furniture, carpets, drapes, clothing, walls, floors, and all burned areas.

As Additive: Add 1 to 2 oz. of concentrate per gallon of water in cleaning, carpet extractor, carpet shampoo, and mopping solutions.

Garbage Compactors: Spray or squirt a small amount of product directly into compactor, refuse container and around storage area.

Vehicles: Spray inside thoroughly with fine mist of spray. Treat top liners thoroughly. Remove cushions and spray on all surfaces. Open windows and trunks. Ventilate with fan blowing out for several hours.
