

Quik Sorb

Granular Deoderant

AIR CARE

DESCRIPTION

Providing lasting odor protection, this granular deodorant acts quickly to absorb and control malodors. Works great for vomit clean up and general use.

APPLICATIONS

- Granular Odor Neutralizer for:
- Vomit
 - Dumpsters
 - Garbage Dumps

FEATURES

- Lasting Odor Protection
- Cost Effective
- Absorbs and Deodorizes
- Works Great Outdoors

DIRECTIONS

General Deodorizing: To control malodors, sprinkle granules around dumpsters and other areas where malodors occur. This product absorbs moisture as well as controls malodors. When not in use, keep container closed.

Vomit Cleaning: Place a liberal amount of product over affected surfaces and allow 5-10 minutes to absorb moisture. Sweep or vacuum area to remove soil.
