

Top Scrub

Scrub and Recoat Floor Cleaner

FLOOR CARE

DESCRIPTION

This product is an all purpose cleaner that saves time and labor in daily floor maintenance. It maintains high gloss acrylic floor finishes while removing soils, without leaving a dulling film. This product is acceptable for use in nonprocessing areas of food processing establishments (formerly USDA Category C1).

APPLICATIONS

Use for top scrub and recoating finished floors in:

- Schools
- Offices
- Hospitals

- Nursing homes
- Airports
- Retail

FEATURES

- Deep Clean, Rinse Free
- Mop or Auto Scrubber
- Versatile Detergent

DIRECTIONS

Dust mop or sweep entire floor to remove gross soils.

Daily Damp Mop: For soil conditions requiring more than just a neutral cleaner, use 1-2 oz. of product per gallon of water in an auto scrubber with a red pad or use 2-3 oz. of product per gallon of water in a mop bucket.

Autoscrubbers: Use 1 oz. of product per gallon of water. Use a red pad for cleaning prior to burnishing.

Top Scrub and Recoat: Use 16 oz. of product per gallon of water in an auto scrubber using a blue or green pad. For manual applications, use 16 oz. of product per gallon of water in a mop bucket. Apply solution liberally to floor then scrub with a 175-300 rpm machine using a blue or green pad. Vacuum up solution, then rinse thoroughly with a wet mop and clean water to remove residue. Renew floor by applying 2-3 coats of floor finish.
